Foreword

The Institute of Chartered Accountants of Bangladesh (ICAB) is the sole apex body responsible for regulating the profession of Accountants and matters connected therewith in Bangladesh. The education and qualification imparted by the ICAB in Accountancy is recognized as the highest professional education and qualification in the country. The members of the ICAB are known as Chartered Accountants and they are allowed to use the designatory letters ACA or FCA as granted by the Institute.

ICAB was established under the Bangladesh Chartered Accountants Order 1973 (P.O.No.2 of 1973). Institute initially started functioning with only 78 members which has now grown to a membership size of 2034. ICAB has regional offices in Dhaka, Chattogram, Rajshahi, Rangpur, Khulna, Barishal, Sylhet and Mymensingh. There are three overseas chapters of Dhaka Regional Committee i.e. one in London and others in Toronto and Sydney.

ICAB is the primary regulator of Accounting & Auditing profession in the country with mottos of ensuring transparency, accountability, integrity and good governance in the financial sector of the economy of Bangladesh.

The responsibilities of the Institute are to conduct the professional examinations, award membership of the Institute to qualified Chartered Accountants, issuance of Practicing Certificates(CoP) to the members, maintain the status and standard of professional qualifications and regulate the members of the Institute within the purview of the Bangladesh Chartered Accountants Order 1973 and the Institute of Chartered Accountants of Bangladesh Bye-laws, 1973 (as amended up to 31 August 2023 and insertions thereafter). In addition, the Institute has to make liaison with various Government agencies, local and international Accounting bodies and business houses. It has also to organize training courses for its members, students and other institutions to update and enrich their knowledge on the profession of accountancy, auditing and information technology and legal and statutory obligations and so on.

ICAB is a permanent member of several international and regional accounting bodies including the IFAC (International Federation of Accountants), IASB (International Accounting Standards Board), CAPA (Confederation of Asian and Pacific Accountants) and SAFA (South Asian Federation of Accountants). It regularly participates in international and regional seminars and workshops across the world. It also hosts such seminars and workshops in the country.

More than one-fourth of the Institute's active membership is currently in public practice, working in accountancy firms of all sizes from sole practitioners to affiliates of large international firms and partnerships. The rest of the members are employed in industry, finance and commerce and playing a wide variety of financial, management and senior policymaking roles-both at home and abroad.

The Institute is governed by a Council comprising 20 members elected from the two regional constituencies in Bangladesh headed by an elected President who is the Chief Executive of the Council. The term of the council is for 3 years & period of the presidency is for 1 year. The Council's main responsibilities are the overall management of the affairs and the business of the Institute including formulation, setting and review of strategic policies. It provides advice and support to the Government and various other stockholders when requested.

The day-to-day running of the Institute is delegated to the Secretariat, headed by the Chief Executive Officer (CEO). The Secretariat is located at CA Bhaban, 100 Kazi Nazrul Islam Avenue, Kawran Bazar, Dhaka-1215, Bangladesh. All divisions/departments can be contacted on the phones: 880-9609612100, 880-2-9115340, 9117521.
